

Club Benefits:

1. Learn the best cycling routes in the Madison area. Bombay Bicycle Club offers over 80 rides from April to November and special events such as the Wright Stuff Century on Labor Day Weekend. We provide a map and cue sheet at each ride along with a Ride with GPS route for your phone or GPS.
2. Make new friends with people who share your interests in cycling (and probably a lot more). We offer social events throughout the year and two membership meetings.
3. Enjoy the fun and safety of riding with a group. Riding with others will also help keep you motivated.
4. Improve your cycling skills. You will learn useful skills that you may not learn riding solo such as drafting, hand signals and pacing. Club mentors can also provide advice and shorten your learning curve.
5. Train for challenging endurance rides. The popular Bombay Challenge Event Training Series (BCETS) training group is geared for the Horribly Hilly Hundreds, Dairyland Dare and other summer events.
6. Receive regular communications about club rides, event and updates delivered to your inbox each week.
7. Lose weight, stay fit, and wear funny clothes. BBC has cycling jerseys, shorts, sock, hats and more available for sale and custom order.
8. Participate in cycling adventures. Bombay organizes cycling tours and vacations to places such as Moab, UT. Two bike travel cases may also be reserved for member travel.

Bombay Bicycle Club of Madison, WI offers group rides for all ability levels and a social network of like-minded people who share a passion for cycling. Thursday night and special social event rides provide a relaxed pace and an opportunity to mingle with other cyclists. We also offer women-led, no drop rides on many Saturdays during the summer. Traditional Saturday and Sunday rides from April to November allow riders to choose short or long routes (25 to 50 miles or more), pace groups and hilliness options. Club ride leaders scout routes for hazards, provide a cue sheet and help others during rides. Come ride with us and discover the benefits of club membership!

Non-members are welcome, but must sign a waiver. To learn more about our club and more info about our rides and social events, go to bombaybicycle.org

BOMBAY BICYCLE CLUB
